Max Choice is an Anthem Network health plan offering the largest coverage area. The deductible is low and preventive care is FREE

What is a deductible?

The dollar amount you must pay toward qualified medical and pharmacy expenses before coverage by the Plan will begin.

What is “deductible waived”?

Max Choice will waive the deductible requirement and cover specific services at 100%.

What is the Plan’s coverage area?

Anthem Network is one of the largest health plan networks with coverage available nationwide, that means any Anthem Network Hospital or Anthem Network Doctor anywhere in the United States.

As an employee of the County of Kern, you may be eligible to participate in the Medical Expense Reimbursement Account Plan. For more information visit:
