

Take Control of Your Diabetes

At WellDyneRx, we know living with diabetes can be an everyday challenge. We can also help you meet the challenge of managing your diabetes with WellDyneRx Healthy Steps, a healthy living program for patients with diabetes. WellDyneRx Healthy Steps will help you more easily manage your diabetes and improve your quality of life through valuable benefits, products, and services.

WellDyneRx Healthy Steps

The WellDyneRx Healthy Steps program is provided at absolutely no cost to you as a part of your pharmacy benefit. Healthy Steps offers convenient, affordable home delivery of diabetes testing supplies (90-day supply) through WellDyneRx's Prescription Delivery Service, and much more. Additional benefits include:

- Free high-end blood glucose meter upon enrollment each year
- Free shipping and refill reminders through WellDyneRx's Prescription Delivery Service, helping you stay on track with your diabetic care
- Reduced copays for your diabetes supplies
- Access to certified diabetes pharmacists, educators, and dieticians

Get Started Today!

Get started with the WellDyneRx Healthy Steps program and get the support you need to manage your diabetes. After enrollment, you'll receive a FREE glucose meter, plus unlimited access to certified diabetes pharmacists, educators, dieticians, and affordable home delivery on all of your supplies.

To order a OneTouch® System at no charge:

Visit www.OneTouch.orderpoints.com and input order code 739WDRX01, or call 1-888-883-7091 and provide order code 739WDRX01.
