HIGH-DEDUCTIBLE EPO HEALTH PLAN

General Information

Welcome to Kern Legacy Share Select!

Share Select is an exclusive network, high-deductible health plan administered by the County of Kern.

- Members must meet the deductibles before the plan begins coverage.
- There are some preventive care services and medications that are waived from the deductible.
- You must be listed as a [Select Network provider \(PDF\)](#) and/or have prior authorization from the plan to be considered for reimbursement from the Share Select plan.
- Consultations with a Select Network contracted specialist do not require a specialty referral.
- Most specialty follow-up office visits, most procedures and inpatient admissions require prior authorization by the Plan.

Kern Medical is the exclusive Select Network hospital in the Bakersfield area.

Kern Medical is one of the County's local premier teaching hospitals providing a wide variety of services, some of which are not available anywhere else in our community. Kern Medical has multiple locations to service Kern Legacy Share Select members making accessing care more convenient.

Each member will receive their own ID card which will include a unique ID number that is required to access medical and pharmacy services. Kern Legacy Select ID's begin with the alpha "S". Possession of an ID card is not a guarantee of payment.
