HIGH-DEDUCTIBLE EPO HEALTH PLAN

Prescriptions

WellDyneRX manages the prescription drug benefit on behalf of the plan. The prescription benefit includes access to generic, preferred brand, and non-preferred brand medications.

At Kern Medical Pharmacies (including Main Campus and Columbus (Sagebrush) Pharmacies Share Select Members Can:

- Fill up to a 90 day supply of medications.
- Receive the greatest saving with reduced copays after the deductible has been met.
- Exclusively fill specialty medications.

Member can also fill prescriptions up to a 30 day supply at a higher out-of-pocket cost after the deductible has been met.

Medications included on the Generic Preventive Medication List are offered for free and are deductible waived.

Prior Authorizations

Authorizations for medications are processed by WellDyneRX. Please be sure to provide the clinical documentation to establish the medical necessity of the medication you are prescribing in a timely manner to prevent delay in processing.

EMPOWER-DM:

Members accessing diabetic medications will be required to enroll in this diabetic management program where Kern Medical will monitor the member's condition and prescribe diabetic medications and supplies. To learn more about this program, contact Health Plan Services (661) 868-3280.

To speak with a WellDyne Representative, call (661) 868-3280 options 2 and the 4.
